

## **KARVY DATA MANAGEMENT**

<b>Sl. No.</b>	<b>Queries of Agency</b>	<b>Reply from JRDA</b>
1	We request for extension.....	Tender purchase date can't be extended .
2	We request for EMD.....	It is not acceptable.
3	List of 300 locations.....	All allocations (total-595) as described on schedule-A (Excel file) has to be surveyed individually and independently. Digital map is not available as of now.
4	We observed difference.....	Schedule-A (Excel file) includes all the sites which are to be surveyed.
5	We request more clarity.....	Payment methodology as described in the tender document clearly mentions that the payment will be released on completion of all components of work impeccably in respect of one unstable location. There is no provision of any advancement.
6	We request payment split by.....	It will be done as mentioned in the methodology i.e. areawise/locationwise completion of all components of the site in question.
7	Since project involves.....	It will be provided as per assessment of sensitivity of the particular location
8	Do we need to.....	Land/property document has to be collected as part of survey.
9	We request clarity on drone imagery.....	Good quality, high resolution imaginary is required.
10	Request to JRDA to provide.....	We will assist you in getting the required permission in case work order is granted to your agency.
